

*Coming home is pure bliss
after a long day of work,
Where the pristine surroundings
welcome you as blessings from above
Families in their terraces
planning to have some fun
enjoying their evening tea
as they serenade gazing at the setting sun
Watching children laughing out loud
As they play on the swings
Ah ! My soul is drenched
In magical potion
Of eternal joy within
As I pause and look around
It makes me feel complete
And I am proud to say
Its heaven where I live in*

feel luxury

feel at home

feel exquisite

feel the dream

feel the sunrise

feel the wind beneath your wings

feel on top
of the world

Team SAAN Verdanté

MR. ROBIN MATHARU

A topper from School of Planning & Architecture, Delhi. Looks after the key roles of Architecture & Interior Design and is the director of renu robin design (rrd).

Apart from this, he and his firm are involved in the stringent Quality Control of the project.

MR. RAJAN BAJAJ

An astute generational businessman, he spearheads the Sales & Promotions role of the project. His company, Sardari Lal & Co. is an almost 100-year-old business of supplying Plumbing & Firefighting equipments to all major construction related firms in North India.

MR. PREM ARORA

An IIT Delhi graduate Engineer and our senior most member. He looks after the key roles of Construction Management, Supply Chain and handles all the Legal aspects for the Project.

MR. ANMOL ARORA

The youngest member of the team is an engineer and MBA. He is the live wire handling the key roles of on-site day to day Construction & Quality Control Management of the project along with the able SAAN Verdanté in-house construction team.

MR. JAIDIIP KAILASH MANUJA

An ever motivated personality, with the utmost positivity and passion for the project and his work. He has an extensive 30 years experience in Sales & Marketing and 20 years in Real estate background working in international markets like USA, Canada, UAE, and domestically in India.
